

Pruebas Heurísticas

HE GOOD Projects View

Descripción:

Consistencia y estilo en módulo de projects y en general el sistema

Evidencia:

The screenshot displays the 'HE GOOD Projects View' interface. On the left is a sidebar with the 'Unitas' logo and navigation links: Home, Team, Project (highlighted), Employee, Accounts Administration, and Roles Administration. The main content area has a search bar at the top with the placeholder 'Search employee, team, or project...' and a yellow 'SEARCH' button. Below this is a 'Project' section with a subtitle 'Intermediate selection for own and other projects.' and another search bar with a yellow 'Search' button. A 'Create project' button is in the top right. The 'My Projects' section shows two project cards: 'Backend development Unitas System' (Lead: Ana Camila Cuevas González) and 'Frontend Development Unitas System' (Lead: Alexis Yaocalli Berthou Haas). Each card has an 'Open project' button. The 'Other Projects' section shows two more cards: 'Deployment Unitas' (Lead: Rodrigo Hurtado Cortes) and 'Test Cases' (Lead: Rodrigo Hurtado Cortes), each with an 'Open project' button. The interface uses a consistent color scheme and button styling throughout.

Explicación:

Cumple la heurística #4 de Consistencia y estándares. Los botones que cumplen la misma función son del mismo color, como lo es el botón de Search o Open Project, lo que hace fácil entender que funcionan de la misma manera.

Severidad/Valor:

Califícalo como "Fortaleza de Diseño" (Punto clave que no debe cambiarse).
